

SUPPORT - VOTE FOR - RE-ELECT

PO Box 8346

Greenwood, MS 38935-8346

To the Citizens, Voters, and Taxpayers of Supervisor District 1, Leflore County:

I wish to take this opportunity to announce my candidacy for re-election to the office of Leflore County Supervisor District 1 in the Republican Primary to be held August 7th.

Sixteen years ago, you honored me and my family by electing me as your Supervisor. I made a commitment to you, as well as to myself, to be a fair, honest, and determined representative of the citizens of District 1. I promised to provide a ***strong voice*** for the citizens of District 1. I pledged that I would exercise the obligations, duties, and responsibilities of Supervisor stressing fairness, dignity, and uncompromising integrity.

In these commitments I have given every full measure of devotion to the citizens of District 1, and I renew these pledges to each of you now.

While serving as your Supervisor, I have been relentless in protecting the interests of the taxpayers, and in demanding accountability and sensible expenditure of your tax dollars. If re-elected, I will continue in my pursuit to lower the heavy tax burden; to cut unnecessary county expenses; to aggressively support economic development; to fight corruption and fraud; and to improve education, roads and services in District 1.

My family and I thank you all for placing your faith in me as your Supervisor, and for the continued support and feedback you provide me. I would cherish the opportunity to continue to serve you as your Supervisor and to be your ***strong voice*** in county government.

I will, of course, make every possible effort to personally visit with each of you prior to the election. However, it may be that circumstances and time will not permit me to do so. I humbly request that you consider this as my personal solicitation for your consideration and continued support.

Sincerely,

“A Strong Voice & Strong Leadership for Supervisor District One”
